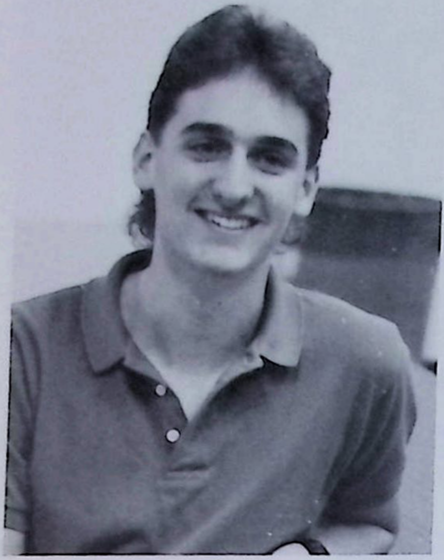
Senior Features

James Hunter - "10 years from now I will be dancing in Traci Mowry's nightclub in New York, while becoming a Chippendale."



David Cooper - "10 years from now I'll be making $120,000 a year, Living in my $110,000 condo in Hawaii, driving a $70,000 car (of my own design), and eating $2.00T.V. dinners because: 'I'm on a BUDGET'."

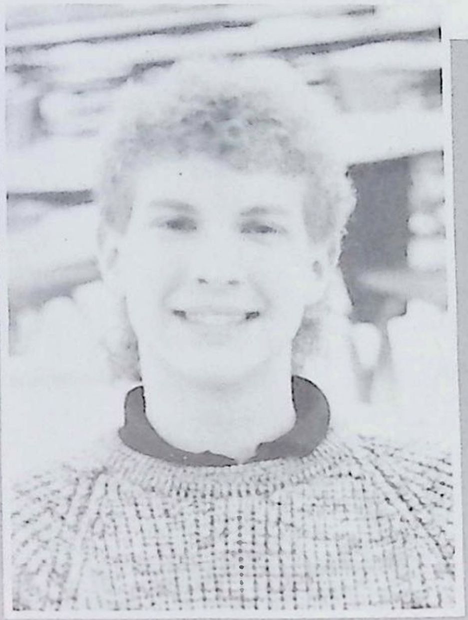
Barb Solinski - When asked what makes her so comical? Sr. Barb Solinski commented simply, "When things get boring I liven them up." We asked Barb what the funniest thing was that she ever did? After a moment of thought Barb replied, "When friends and I dressed in Hawaiian outfits, in the middle of winter, and went to McDonalds." There's never a dull moment when Barb's around.

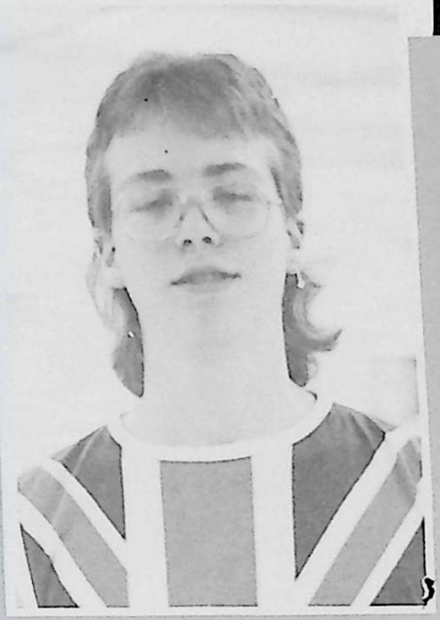
Lisa Teaters - "In 10 years I'll be the second Dr. Sigmond Freud, analyzing brains in the White House."

Christine Hillen's favorite moment at S.H.S. was . . . "passing Mr. Detore's class by the skin of my teeth and making new friends at S.H.S. as the years went on."

Lisa Ulery - "In 10 years I'll privately own the Hard Rock Cafe' and be part owner of *Scarey Hairys* salon with Chica in New York.

Darcelle Wilson - "In 10 years I will be happily married to LL Cool J. We will have a new album cut and I will be cruising in my black convertible Mercedes with LL."

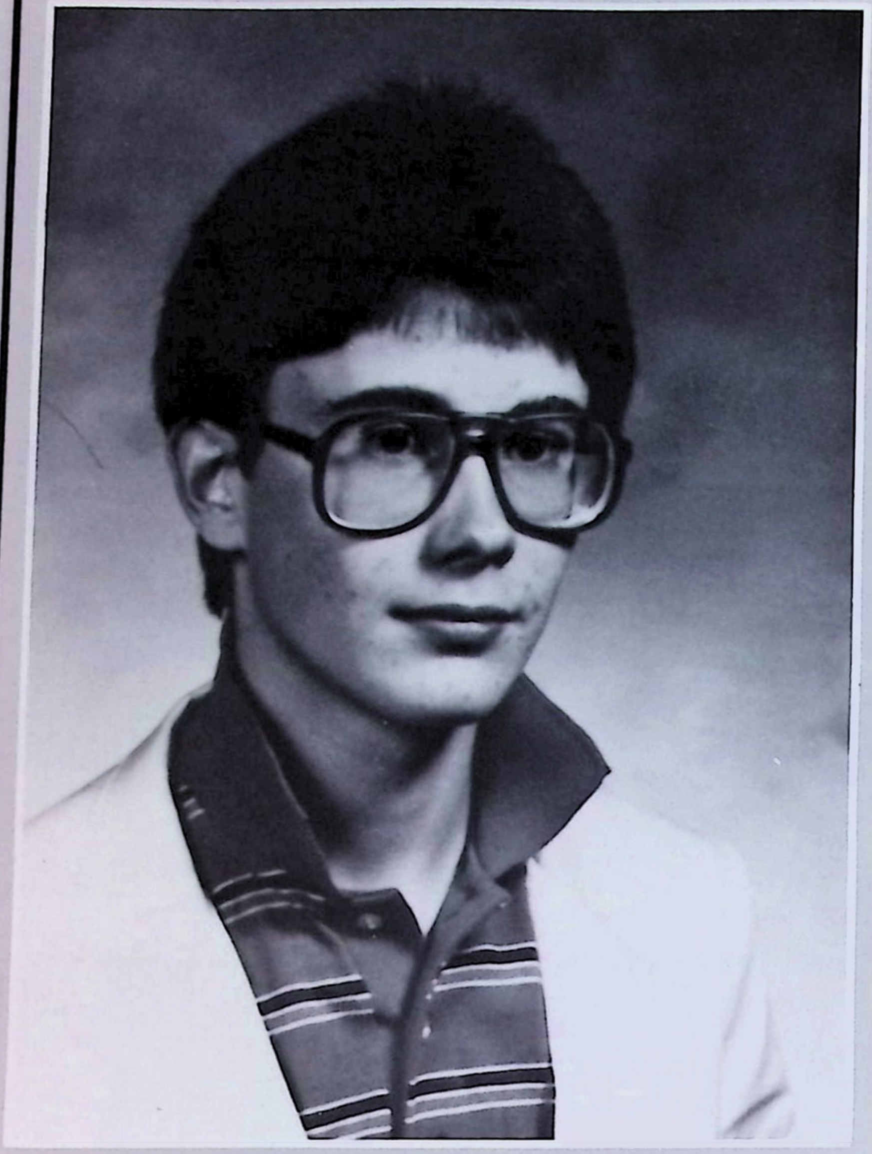




Patty Maruszewski - We asked Sr. Patty Maruszewski what she did in her spare time away from school. Patty said that she likes to help in the community, being with the ambulance service for about a year, as a emergency medical technician she admin isters basic life support.

Jonathon Ottenberg - "10 years from now I will be the new band director at S.H.S. Lord knows Mr. Romza doesn't know what he's doing."

Joel Reist - We asked Joel Reist about his Band he belongs to. Joel plays bass guitar for a six member band called Straight Talk. He came to the band by answering an ad in the newspaper, he had an interview and was picked. Straight Talk performs at clubs and dances every Saturday night playing top 40 songs of the week. When asked who are your major influences? Joel replied, "The late Jaco Pastorius, the best bass player in the Universe." He also said that Geddy Lee and Bob Marley were a big influence, too.



Michael W. Myers 1-24-70 to 10-31-87

The Class of '88 would like to dedicate the 1988 Legend to Michael W. Myers. He was born January 24, 1970 and passed away October 31, 1987. He is sadly missed by his friends and family.

The Class Of 88

This is our time
For the lights to shine.
For after one year past
It will be the Class of '89.

Some have made it,
But others have died along the way;
But all we can do
Is look back at those
For there is nothing we can say.

There will be no more times
For they are all gone.

It has been 12 years too short,
12 years too long.

Soon we will be on our way
But it has been worth the wait.
We are the Class of '88,
The last of the great.

Filled with tears,
We will say our good-bye.
For we know nothing last forever,
And that fledglings are born to fly.

When we go out,
We will go out with a sigh.
But our memories will live,
And so will Southmoreland High.

When you look back,
At the school years of the past;
Remember the unfortunate,
And live each day as if it were your last.

In Rememberance of a good friend
Michael Myers

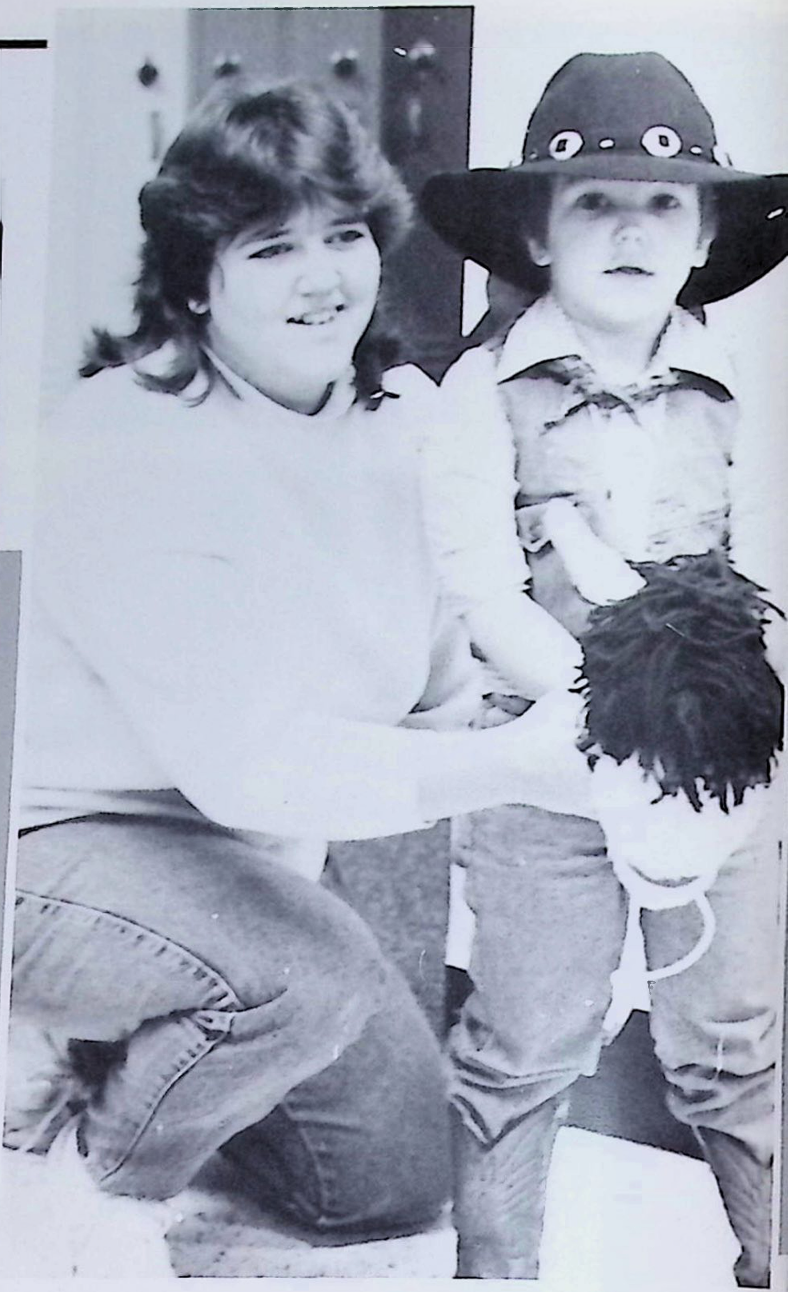
CHILD CARE LAB



Nursery School 1988 has been a positive pre-kindergarten experience for ten four year olds and thirty-five juniors and seniors at SHS. Many special days were planned for the children with visiting zebras, ducks, horses, trains, indians, unicorns, trees, and fire trucks. The children had fun with fingerpainting, pounding nails, dancing, flying kites, building roads and planting seeds. Learning to share, following directions and group play have been as important as counting and the alphabet. Children and teachers enjoyed each other while learning parenting skills.

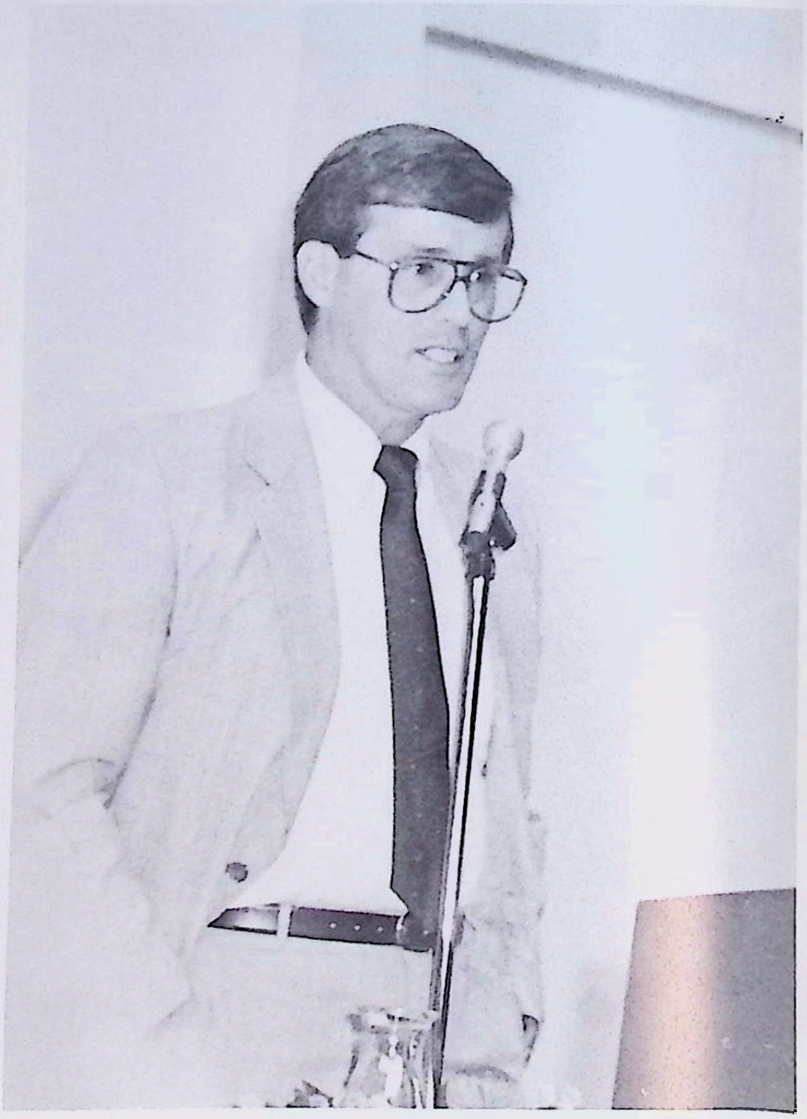
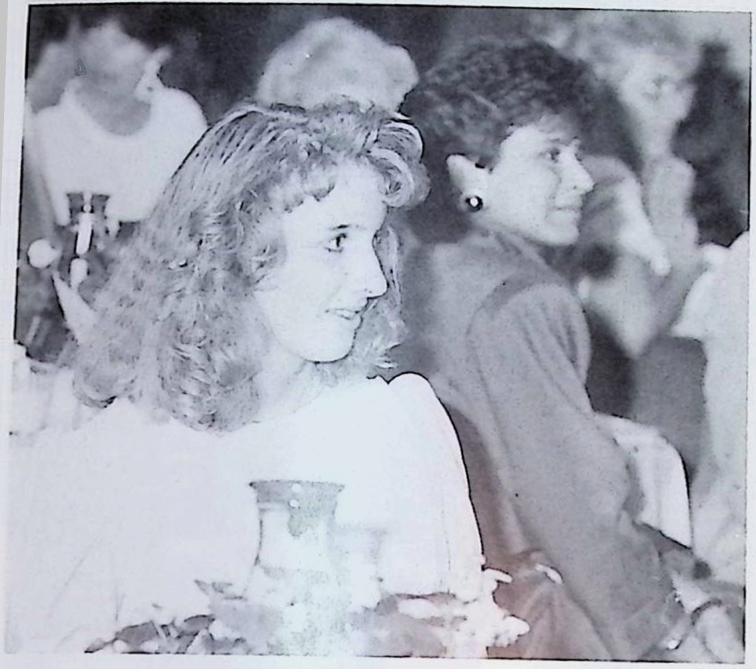
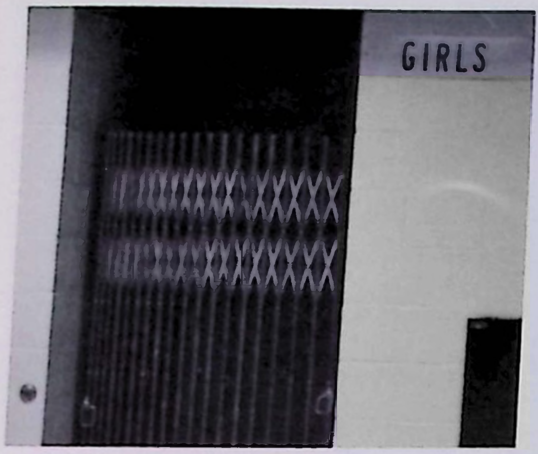
Scholars Dinner May 26, 1988







As we all know two of Southmorelands biggest controvies, this past year, had to do with student driving and smoking in the bathrooms. Permanent driving permits are usually given to those who are on work release or to those who go to vo-tech. Students may acquire day to day permits with the approval of their parents and with Mr. Heckman's consent. Smoking in the bathrooms is also not permitted during school hours. Getting caught could result in one or two days of in school suspension or days expelled.

After School Jobs

Many students have afterschool jobs. Grocery stores seem to be the most popular employers. Anita Peachey, Bob Grimm, Christine Evon, Corey Cordell, Tonja Clawson, Kevin Matheny, and Missy Grubich are just some of the Southmoreland students who work at County Market. Amy Peterson is employed at Warehouse Groceries, and Mindy Faris, Joe Dolney, and Jackie Reagan work at Super-Valu Foods in Scottdale.

Restaurants are another popular place of employment. Pam Jurkowski, and Jamie Cook work at Rax, Missy Suter works at Eat n Park, Dee Smith works at Jimmy Pauls, Leslie Phillips and Suzanne Bailey work at Gino's Pizza, Todd Sherbondy and Mandy Sherrick work at McDonalds and Sean Degan works at Pleasant Valley Country Club.

Other students at Southmoreland who have jobs include Cathy Converso, who works at Movieola, Heather Miner, who works at the Deb shop, and Michelle Napoleon, who works at Smith Glass.

Afterschool jobs are popular with our students. It gives them something to do in their spare time and it provides them with some extra money.

Hang Outs

A hang out is aplace where friends go to bum around for a while and to have fun. It is also a place to meet girls or guys and make new friends. A dictionary definition of a hang out is; Hang Out /'han-aut/ n: a favorite or usual place of resort; v: to spend one's time idly or loitering around. Here at Southmoreland we refer to our hang outs as: McDonald's, Rax, Pizza Hut, and K Mart parking lot.

Tonja Clawson- (5yrs) "I will be a medical secretary, living with my husband Michael, and living life to its fullests."

David Cooper- (10yrs) "Ten years from now Cooper and Weisgerber Motors will be issuing its first 100,000 shares of stock and the first prototype of the Cooper Panther will be a hit with all the car magazines."

Amanda Sherrick- (10yrs) "Ten years from now I'll be the administrator of a hospital with the most successful trauma center."

TOP 3 T.V. SHOWS

Every fall marks a new season for T.V. shows. The ratings determine which shows are the most popular or most watched.

Here at Southmoreland, the students have a slightly different opinion of which shows are the best. The top 3 choices were very close. In third place is *Cheers*, a show which has been on for quite a few seasons. The second place show, *Moonlighting*, hasn't been around as long. In first place is *Growing Pains* which is only in its fourth season. Whether it's by coincidence or just good programming, the best days to watch T.V. seem to be Tuesdays and Thursdays.
